

Indoor Bowls

Meets on Monday Nights

The RSA Indoor Bowling Club has a long tradition of catering for all ages and abilities. It brings like minded people together in a relaxed social setting on a **Monday night beginning at 7pm**. Teams are drawn based on ability while three matches of seven ends are played to determine the nightly placings. The evening concludes by 9:30pm.

The only requirement to play is to wear flat soled shoes as everything else is supplied. The season starts in early March and runs through to mid November. Visitors are welcomed to play or "give it a go". Beginners have the opportunity to receive coaching.

The cost is \$5/night and if you wish to play regularly then there is also an annual subscription of \$20.

We currently have approx. 30 members, and generally have a nightly attendance of between 12 and 20 players.

Several members use the club night to hone their skills for entering outside tournaments on a regular basis. Our club currently caters for a singles and a drawn pairs championship.

If you are interested in playing please just turn up on a Monday night by 6:45pm so that you can be included in the draw.
